G. B. Settle Elected Mayor

Mr. Settle is one of our leading business men, and is amply qualified for the office. We trust that he will put his shoulder to the wheel and start things to rolling immediately. We would like to see all the ordinance enforced, and are willing to do what we can to have them enforced. Its time we are getting down to business.

SKIN GRAFTING TAKES OFF BRAND OF SLAVERY

Beautiful Armenian, Five Years Turkish Slave, Will Marry, Now Face Is Cleared.

Into every large hospital there come at times patients with heart-breaking stories locked tight within their bosoms, and just such was brought to the University hospital in Ann Arbor, Mich. A girl was wheeled into the surgical clinic who once had been rarely beautiful. She was twenty, with the dark, rich complexion and the sparkling eye of the healthy young Armenian, but her beauty was ruined by tattoo marks at the corners of her lips, in the middle of her forehead, at either side of her nose, and under the lower lip. These meant that as a slave in a Turkish household she had been kept for what Americans would call "immoral purposes." They are the marks of the concubine.

She escaped after five years, and came to Detroit.

But even in America there was little happiness for her. Her face was so disfigured by the tattooing, at which Americans stared because they knew not what it meant and from which her fellow Armenians averted their gaze because they knew, and she was always in tears because of it.

In time she met one of her own countrymen, who fell in love with her and who wanted to marry her. She refused because she bore the mark of the slave upon her where all might see. Some one told the Armenian of the wonderful skin grafting that had been accomplished by the surgical staff in the University hospital and he persuaded the girl to come to Ann Arbor. With her came the young Armenian, and on the card the hospital gives to next of kin who accompany patients he signed his name, and opposite the question "What Relation?" he wrote "Fiance," for the girl had promised to become his wife if the tattoo marks were obliterated.

It was quite a time after the operation before the young Armenian girl could be persuaded to look at herself in the mirror, and then she shouted aloud for joy. There was no hint of the ugly brand of the Turk—nothing to show that she had once been held as a Turkish slave. And in Detroit, some time this fall it is said, the little Armenian girl and her Armenian man will be married.

UNKNOWN ADMIRER SENDS STENOGRAPHER \$50 A WEEK

Miss Shirley Sholer, a stunning stenographer with luscious lips and bewitching eyes recently received her seventh weekly letter containing a fifty-dollar bill from an unknown and mysterious admirer. Sometimes the bill is accompanied by a brief letter and again it is not. As her efforts to identify the sender have been unavailing she has consulted an attorney for advice as to what she should do about it. So far she has spent none of it.

CHINESE PORT TWICE LOOTED

International Police Guard Is Planned After New Burning and Pillaging.

Following the looting of the Yangtze port of Ichang and the burning of a considerable portion of the city by mutinous Chinese troops early in June, it is probable steps will be taken to have an international settlement under foreign control established in the city. This measure was proposed by foreign residents when they were asked to advise the Chinese merchants concerning how the city may be safeguarded in the future.

The outbreak of the Ichang troops followed a former outbreak that had occurred just six months before. On both occasions the city was looted and portions were burned, with the loss of a considerable number of lives. No estimate of the loss incurred in June has yet been given, but it is stated that it will exceed \$1,000,000.

Bull Goes Farm-Hand to Death. Harry Comp, thirty-two years old, was gored to death by a bull in the barnyard of the farm of William Frey, of Columbus, N. J., despite efforts to save him.

Home Telephone Co., Make Deal With Gainesboro.

At a recent meeting of the stockholders, of the Doe Creek Home Telephone Co., traded its property on the north side of town, paying \$1,300.00 difference. Possession will be given sometime before the first of the year. The Home Company is to take over and operate the long distance line for 20 per cent of the fees.

The Home people can give up the long distance line after twelve months, if they so desire, by giving the Gainesboro Co., 90 days notice.

Joe and Francis Hargis, of Granyville, spent several days this week with their grand-parents, S. L. Pate and wife.

J. C. Chaffin, of Gainesboro R-3, has sold his farm to Frank Fox, and has moved his family to Cookeville, where he purchased the property of Joe Morgan on the westside. Mr. Morgan and family have moved to Nashville. Mr. Chaffin received \$8,000 for his farm.

C. L. and H. W. Lock, of R-3, were in town Monday.

Rev. K. A. Early will begin a week's meeting at Woodrow the first Sunday in October.

A man in a neighboring town, who took a city paper in preference to a country paper, because he got more paper for the money, was attracted by the advertisement of a fire escape which would be forwarded on receipt of \$2. He sent the cash, and in a few days received a copy of the New Testament.

To bring up a child in the way he should go, travel that way yourself. Stories first heard at mother's knee are never wholly forgotten; a little spring that never dries up. The sooner you get a child to be a law unto himself, the sooner you make a man of him. Children need models more than criticism.
